Today's table Fun

SPISA introduces a series of functional and elegant tables that can be fully Chosed to your needs. The sleek, timeless and minimal design will allow this collection to come fully into its own in any interior.

All tables from the SPISA collection have a ceramic tabletop that can be offered in different colors. The frame is made of metal and can be Chosed according to the tabletop color. Another special feature is the placement of the legs. No matter if you prefer a cross-leg, U-leg or trapezoid leg. SPISA can do it all.
